Increase Elasticity & Firmness In 4 Wks.	104%	154%

These results are **REAL & have been accepted for publication in Medical Journals!** These competitors can't compete with price, results, and not one of them guarantees their product for potency & effectiveness at time of contact with the skin - Shaklee does!

PRICE ~ VALUE ~ RESULTS

Want A Face Lift Without Costly

Surgery, Injections (\$300-\$1,500), & Dr. Visits?

Only Shaklee Can Guarantee Such Astounding Results!

The following **Enfuselle™** %'s are results documented by an independent lab that specializes in skin analysis.

Only 1/2 of the face was treated so that the untreated side served as the basis for comparison. These

SHAKLEE ENFUSELLE results & others have already been accepted for publication in

peer-reviewed

Medical Journals.

	Fine Lines Reduced - 2wks	Wrinkles Reduced - 4 Wks	Elasticity & Firmness Increased - 4 wk
Enfuselle Time Repair A.M.	24%	421%	104%
Enfuselle C+E Repair P.M.	88%	104%	154%

Mary Kay's repair products	27% (4 wks!)	not listed	13%
-----------------------------------	---------------------	------------	------------

(Lancôme, Ester Lauder, Elizabeth Arden, & Clinique do not advertise clinical results = either they have no scores to report OR their scores are so low they don't want to mention them.)

The following information was taken from the Internet site.* www.cosmeticscounter.com & the

Mary Kay catalog for comparison with Shaklee's Enfuselle "[Anti-Aging System](#)" pack.

EYE REPAIR:

Reduce dark circles, fine lines, wrinkles, puffiness, + moisturize.

Enfuselle	\$18.65	1 product to DO ALL the above list - compare prices!!
Elizabeth Arden	\$39	1 prod – costs more & still does not do ALL that Enf. does
Mary Kay	\$45	3 prods – costs more & still does not do ALL that Enf. does
Clinique	\$60	2 prods – costs more & still does not do ALL that Enf. does
Lancôme	\$79.50	2 prods – costs more & still does not do ALL that Enf. does
Este Lauder	\$100	3 prods – costs more & still does not do ALL that Enf. does

REPAIR: **Enfuselle** moisturizes, softens, firms, reduces wrinkles, increases elasticity, reverses damage, evens skin tone, smoothes texture, improves resiliency, all **WITHOUT** the **IRRITATION** of Alpha Hydroxy Acid

Clinique	\$0	no repair products
Mary Kay	\$40	2 prods - uses AHA, doesn't do all the above
Este Lauder	\$75	3 prods - uses AHA to temporarily do the above

Enfuselle **\$84.90** **2 products to do ALL of the above list**

Elizabeth Arden	\$182	5 prods to do most of the above list
Lancôme	\$200.50	6 prods to do most of the above list

TOTAL COST:

Mary Kay	\$122	9 prods - & still can't offer results equal to Enfuselle
----------	-------	---

Why Not Pay A Little More To Get A LOT MORE Results?...

Enfuselle **\$165.35** **7 prods what VALUE! - No one else has this technology!!**

Clinique	\$169	6 prods - costs more & still can't offer results = to Enfuselle
Este Lauder	\$281	10 prods - costs more & still can't offer results = to Enfuselle
Elizabeth Arden	\$360.50	9 prods - costs more & still can't offer results = to Enfuselle
Lancôme	\$509	14 prods - costs more & still can't offer results = to Enfuselle
